Parshas T'tzaveh. What's the first thing it talks about?

Leichter preparation the week where the torah talks about lighting neiros.

Not stam.

Ok I know it's not talking about Shabbos licht

_____

Hey! do a note and flowers that's not a bad idea!! I think I'll try that myself!!!
I will do a note and flowers

and not for any return (especially in "that" way, for we are assur anyway).

thanks

and just afterwards she called me with several taynos....silly ones imho.

_____

my first thought was: what da hell?

my second and lastin' thought (as I rolled down da window and screamed to whomever was listenin') was: Lust and ta'anos on da wife are takin' no part of me, so da hell with you!

I will be buying flowers and leaving a note for my wife a well.

It wasn't a bad week for us but we certainly have had much better. I was also feeling some anxiety.

Listening to music and playing Bananagrams last night helped.

Feeling better today than I felt all week BH

Have a great Shabbos,

Eli
