Dearest friends

I know you were looking for me and wondering where i landed

Here I am, but you wont recognize me.

Well the last few weeks have been catastrophic

I found myself feeding my impulse/gloominess about once a week

Since my membership end of summer I achieved 50 days twofold.

Failing for the second time ????? was more that I could tolerate

But I am inept to persist in this manner

Now that ??????" is around the corner

I take on myself a new instigation

**NEW RULE:**

The net is strictly for business usage

No news or entertainment on the net for **2 weeks** Bli Neder

Your emails to me can fill the void gap of association

**Please friends do keep in touch**

(Btw: I hate being the *mishken* so to have a good *kesher* do tell me **about yourselves too**)

I will try to respond to every comment

*Gut Shabbos*

Your buddy

M D

Sure the war is still on! Did you think Hashem would give up the tremendous *Nachas Ruach* that you are giving him just after 90 days? **But you have taken your first BIG step.**

I think you would enjoy every much the Attitude Handbook. Please print it out to read when you have time Tzadik...
