

OK I Will give it another try

Posted by mdmjerusalem - 09 Jan 2009 14:33

Dearest friends

I know you were looking for me and wondering where i landed

Here I am, but you wont recognize me.

Well the last few weeks have been catastrophic

I found myself feeding my impulse/gloominess about once a week

Since my membership end of summer I achieved 50 days twofold.

Failing for the second time ????? was more that I could tolerate

But I am inept to persist in this manner

Now that ??????" is around the corner

I take on myself a new instigation

NEW RULE:

The net is strictly for business usage

No news or entertainment on the net for **2 weeks** Bli Neder

Your emails to me can fill the void gap of association

Please friends do keep in touch

(Btw: I hate being the *misken* so to have a good *kesher* do tell me **about yourselves too**)

I will try to respond to every comment

Gut Shabbos

Your buddy

M D

I am very happy to see the progress the group is making and all the new features

I wish I would be able to use them (but my access is not available often)

the GROUP feature is strange and i do not get the point except if they Group and modify the rules according to their common needs

but rather the groups are made blindly and do not include the common type and level of people, so whats the point

MD, this is a VERY good point that you are bringing up. HOWEVER, since at this point the groups are still small, we have no choice but to just lump everyone together. Hopefully in the future though, if we see that the group idea is popular, we will set up a system where people will join the groups based on certain criteria, such as their level of sobriety, how much penalty they want to accept on themselves - if any, etc... Then each group can choose a set of rules that they want to abide by. One group could decide "three strikes and your out", another group may decide on a different amount - whatever.

Thanks for bringing this up.

do you remember the Krias yam sif shmoose you gave me?

Did you mean this one?

Yes, it is NOT easy what you did, to tell your wife. Yes, we KNEW it would be a roller-coaster. But at the end of the ride, you will be so much stronger! She is now there at your side, and you won't be able to disappoint her again. You jumped into the Yam Suf with Emunah, and now I fully believe it will split for you. Parshas Bishalach. Perfect timing. You will be singing Shira this Shabbos like never before.
