

Yaakov's Ladder

Posted by Pidaini - 08 Mar 2013 17:33

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that usually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

HOT OFF THE PRESS!!!!

Motzei Shabbos Ki Seitzei

Yerushalayim Ihr Hakodesh

1:30 am

As the Pidaini family was sleeping soundly (since like 12:30), Yentah Zlatah Pidaini started screaming!! She was burning with fever and not very happy. Her parents tried all they could to settle her, but before he knew it Mr. Pidaini realized the sun had come up already.

He decided to go daven early and then go back to sleep later. So as soon as Yenti and her dear mother Shaindle Malkah went out, he tucked himself under the blankets (after pushing away a thought that he didn't want to think about), and very quickly fell into a deep slumber.

He awoke with a start, "could it be?" was that him? did he just have that dream? He was scared and disappointed. One thing was funny though, he awoke while telling himself (in the "nightmare") that he can't fall because he can't tell the guys on GYE!!

He tried getting a hold of help, but to no avail. He finally got out of bed and started chatting with some friends, and they all lived happily ever after.

THE END

It was actually quite scary, I hadn't had such thoughts in a really looooong time, and it came as a big shock.

I was a quite upset and disappointed, I am trying really hard and have been such a good boy!!! but I looked at it as the RBSH"O was showing the Satan that he has really special children who don't ask questions, and do what he wants regardless if they understand it or not. That thought helped me get out of bed and get help.

Thanks everyone!!!

I won't comment on the story with Shaindle Malka and Zlatie (though you left out the significant part about waking tizzy at 8). I'll just mention for the benefit of those looking for me at the kosel that besides for my yellow hat I have blue overalls with rockoe's fleishig bagels plantation logo covering yellow tzitzis amd a few pieces of straw sticking out of my beard

I commiserate. I know the feeling. I had some bad dreams a few weeks ago that really shuck me up also. Just stay strong and remember that unless you really did something to cause it)

I may be stronger, surely ain't feeling it right now.

Today was after yesterday (are you serious?!) and for some reason instead of yesterday, today there were only women on the street!!

Talking to people about it is soooooo helpful, and I spoke to like 5 (HS, MZ, Rebbe, TZ, and the rest of the chats are considered one) and needed every single one.

So in afterthought, I wouldn't say I am stronger, just my army is stronger!!

And we have the very best General, all together now 2..4..6..8..Who do we appreciate.....HASHEM!!!!

Thank You Hashem for yet another clean day!!!! I wish I could feel the hug while you're giving it to me, rather than have to wait until afterwards to realize that you have given it to me, but that is probably the way you want it, so I'll appreciate that too.

You forgot that it's a good thing the Americans were keeping vigil on motzei shabbos so you had who to talk to.

Massive job on motzeu shabbos KUTGW, and ah groiseh refuah shelaimah to yenti.

Maybe I'll send a get well card on one of zemmy's missles.

thanks ZEMMY; what color is that mouthwash by the Way?

Inna: no need to worry about Zlata Yentie. I was @ the Pidainis yesterday ('twas verry busy), Shaindle Malka didn't even acknowledge my existence but Zlata Yentie! She walks up to me and says GO BACK!

Talk about rudeness!
