

Yaakov's Ladder

Posted by Pidaini - 08 Mar 2013 17:33

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that ussually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

ok, let's put this out in writing.

By my inlaws, until now there were others here for bein hazmanim, they are gone now. feelings

I have a crazy urge right now, to take apart the computer and put back that wire and then be

Good news is that I Bh have an education, a GYE education. I am powerless over lust, and I have gone way too close, any closer and I know (admit) that I am a gonner.

So I ask Hashem, I accept the life that you give me and will give me, I only ask you to keep me healthy, to lead me through life with the feelings of loneliness (which I will try taking care to the best of my ability), through life with the feelings of inadequacy (my shver is a Talmid Chacham muflag, and lives and breathes Torah), and all other feelings which you will choose to have me experience.

Please help me always remember that you are the one in charge, and in control, of every aspect of my life.

Thank You, Pidaini (aka Yankel)

of loneliness started already last night, and slipped (again, but this time it was worse)

You're worth to me much more than your shver will ever be. And that is the pure and unadulterated truth.

LOL!

You do realize that I used this particular wording just to bait you- you fell for it!

P.S. L'achar meiah v'esrim and they decide to give yerusha to son-in-laws- maybe then he's going to be worth to me more than my relationship with Yankel...

in such circumstances you are meant to fill a flamethrower with a mix of peanut butter and indelible ink and by mistake saturate the garden(er) with it. oops. thank you
