

Yaakov's Ladder

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that usually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

As they say: ??? ?????? ?????? - to ask why is a goyishe inyan.

I never heard anyone say that, but I LIKE it!

The first time I heard it was when I was a chosson. The chosson rebbe said it with such a *tekifis*,

you could tell he meant it. "You come home from kollel and dinner isn't ready and you want to know why? *Bist meshigeh?* Because the Beshefer said so, that's WHY!!! He want's you to grow and be a better person, **that's why!!!**

Another thing that I found I need,

**a real life chevra**

Seeing REAL people, who understand and to whom I can be totally honest, is invaluable. It takes away so much of the fight, until now it was lust, and hiding it, whereas now it is lust, with a whole group allies to fight against it. as the saying goes "lust grows in ....." can't remember now.

As part of OINK and a good friend of Nitzotz, I feel the need to heed to his wise words.

Gratitude- right now the feeling of gratitude I have is something that I have never felt before. As mentioned above I had a day this week. I know myself, and I know that there has never been a

day like that that has passed without a fall. Yet this time, because I have been really trying to do things the way Hashem wants it, Hashem has showed me that he is there for me (and sent the perfect shaliach, TZ). [please excuse the tears, they are tears of gratitude] the feeling can not be out into words, the Hashem that I have been evading so long took my hands, swooped me up, hugged me, and told me that He is always with me. It is joy, it is happiness, and all that coming straight from Him, for once I really feel Oh **MY GOD!!!**
