

Yaakov's Ladder

Posted by Pidaini - 08 Mar 2013 17:33

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that usually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

I had a thought,

The gemara in Sanhedrin says that the Torah is called "toshe'ah" for it is "mateshes kocho shel adam"

The name Torah comes beause it shows us the way that Hashem wants us to follow. That is the way we are supposed to sit down to learn, "I am now going to let go of my plans for life, and see what Hashem wants me to do". If a person does that then automatically the plans that a person made for himself which are "kocho shel adam" are deminished, and he can see what life Hashem wants.

My Rebbe says over a similar vort, that the Torah is mateshes the feeling of kochi v'otzem yadi. But your vort gives explanation as to how and why. Fabulous!

esrogs calling

to the water thats falling

wont you wash me clean?

esrogs been out in the sun too long

to long?

clean me please

make me shyne

like the water can,

like a watering can

remove the dirt

like in the mikva, a shirt

Ive been growing cold

in the winter months

clinginn to the tree

in the snow and the sleet

where is up?

what is up?

the juicy red apple is picked with care

the peaches with cream fill the autumn air

what am i?

to stay on the tree to rot?

cut loose

like a caboose

I saw the seasons pass and the groves where bare

i was so alone

all in despair

i numbed my feelings

didn't think about the frieling

i was scratched and hit

bit by bit

but my time has now come

to unify

you and i

with the spine moutheys

wash me clean

with the sho eveva

ruach hakodesh

not the aveira

the heart is one

in the centre

I will come clean

it's my tyme to shyne

it's my tyme to shyne

it's my tyme to shyne
