

Yaakov's Ladder

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that usually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

We're not going to mention the fact that the mobile site has ads, and let's say they're um.....  
notso kosher. Did I just mention that?

But being the head of a club.....I just deleted it, THANKS MONKEY!!!!

I am ly'H, Bli Neder, starting a new count. A count for days free of playing online games. It takes away from my life, or actually, it takes away my life!!! It sounds a little funny, but I think I may be addicted to it.

So it's the same rule,

One moment at a time, meaning, I have plenty of things to do (I even wrote myself a note of things so that when I think "why not, what else should i do?" I should find things easily) I just have to make the right choice to do what is important and lasting.

First Day

According to that, I missed my 90 day party :( (are there tashlumin?)

But that does mean that I am up to around 97 days!!!

Thanks again turtle monkey

I think the most amazing thing is that i feel like our whole group (OINK) are all brothers. When yankel told me about the little eagle, i felt like a proud uncle...
