

Yaakov's Ladder

Posted by Pidaini - 08 Mar 2013 17:33

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that ussually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

Yankel how are you?

I was gone for a while and didn't see all your posts. Just read trough them and feel really sorry

But let me tell you after all you did for everyone here and continue doing. The chevrah really have you in mind (me included). I spoke to 2 guys while I was away from the site and hey both told me about 3 minutes into the conversation I feel so bad for Yankel he's having it really rough. I'm sure that many of the other guys felt the same way. I felt that hearing how much the oilam really cares and feels for you should be some what of a chizuk boost.

for you

Hope to hear from you soon!!!

You should know that not only is your thread not on the 1st page, its not even on the second OR third page but its on the FOURTH PAGE!!!!!!!!!!!!!! WHAT A BLOW TO YOUR SELF ESTEEM!!!!!!!!!!!!!!

See, Mr. Yankel, no matter what your excuse is for not posting, do it for your Kavod! You know, that thing that means so much to you. That proud satisfaction when your thread is on the first page and you have all those likes and people burst your karma.

Don't do it for us, for Zlanta, for anyone else. Don't even do it for Hashem. Just for your Kavod!

We miss you Mr. Yankel. You're ladder has been quite quiet lately. Why don't you step back on the rung or at least tell us what rung you are on!

PS. You're welcome. Now your thread is on the first page!
