

Hashem, please open up the road for me!!!

Posted by pischoshelmachat - 12 Mar 2013 20:30

I started my 90 day journey last Shabbos and it feels great so far. I know that I will walk into an ambush any time and I daven that with my little hishtadlus in joining this wonderful community of GYE and with the chizuk from my new partner, I will be able to pass my first test.

In the mean time I thank the RBS"O for every day that I am able to stay clean.

What a breath of fresh air.

I am now almost 46 and I so badly want to be mesaken this while I am still in the young years so that my Teshuvah can be complete.

I don't like to talk or even think about what I have done in the past because it is too painful for me to face the horrible things that I did that are so not who I really am. I want this to be the beginning of my new life that is Tocho K'Baro.

I cry every day that my children should be pure and grow in Torah and Yiras Shomayim but how can I expect the RBS"O to give me ehrliche children if I don't fix myself. I just daven to the RBS"O that my children should always be Yirei Shamayim and not be punished for my weaknesses.

A Gutte Voch Dear Friends

90 days is around the corner and the YH is blocking the path with rpg's, machine gun fire, bombs and even some chemical and nuclear bombs.

I am feeling the itch but I cannot fall prey this time. I must stay sober today.

Have you read the handbook?

86 days is a great milestone!

Each day is a huge win and a nachas to Hashem.

You're a true inspiration.

Keep posting and don't you ever leave!

Even if you fall chas vishalom, you still win.

We all win.

And if I didn't write my story, and if I didn't stay on one thread, and if I have 19 days of sobriety under my belt and I'm still giving you advice, that's the way it is.

Oh, and one last thing, keep trucking!

Warning: Spoiler!

Hello My Dear Friends,

I was feeling some nostalgia for my buddies here and just want to say hi to everyone. I did some browsing and this site is so special as it brings together thousands of people who are joining forces to bring k'vod Shamayim.

Being on here makes me feel a bit like I felt at the Siyum Hashas where we all came together to create K'vod Shamayim.

May we all soon be zoicheh to V'sechezana Einenu Bshuvcha L'tzion!!

I am inspired to see you are still going strong.

Actually, *I'm* Still Going strong. But it's nice to hear from you anyway - even if you did mix me up with Gevura. :-)
