

laughingman tries to count to 90.....

Posted by laughingman - 14 Mar 2013 16:01

as of today all my posts are here as far as my own topics are concerned

i have had 2 falls but i am now a week into a new streak

i have had success in breaking some previously unbreakable habits

not m***** habits ...thoses i have dealt with somewhat but even farther

as a result of the rules that i follow through the 90 days and though i have slips about once in 2-3 days every day foward breaks that tooo down so that it becomes less frequentand eventually non-existent

i recently got the s3 and i have had soo far Thank G-d no desire to sttempt to use it for searching ****

i personnaly dont use software barriers for myself (for my kids i do of course)

i can break them too easy ...the only way out is personal honesty

as all of these things are for now personal actions

and it is working ...hopefully it will continue though im sure the real war is coming

Hi Laughingman!!!

Its not fun to fall but its great to know the guys really care and let me tell you they do.

After a fall you should thank hashem for gye which gives us hope.

About the falling even when things are getting better. I went through the same situation. things were very rough at my end a few weeks ago. And then hashem really showed me some great wonders. Did i stop falling because things were better? no way i though i would but i didn't. The lust issue has to be delt with in its own way not relying and other things going on in life. Thats the realization i came to over the past few weeks. keep it in mind and don't get too hard on yourself.

I think it might be worth checking out the last posts on this thread

guardyoureyes.com/forum/19-Introduce-Yourself/246817-A-tragedy-of-the-human-condition

they might be very helpful.

Kol Tuv and keep on trucking!!!

I fell ...after satting a taphsici didnt even try to stopat alli have become such a hypocrate that even my anomonus persona here is a hypocrate

I feel soo hopelessit was really stupidand despite everything

....unbelievable

Im soo angry wi5h myself

There is no room for anger towards a sick person. It will not come to your mind to be angry at someone with a brain tumor r"l. You would feel pity , sorry for him , your heart would be filled of compassion . Chances are your (our) brain is more distorted than the guy with the tumor. Your capacity to grasp reality is distorted . You have a distorted perception of what is around you and

within you. You are not stupid . Neither you are hopeless Thank G.od. You are powerless ; that is correct. If what you have is a sickness then you can feel some compassion at yourself, but really, being angry is doing injustice to yourself.

There are a lot stressful situations in your life , dealing with them all by yourself becomes very difficult. How can you get the feeling of letting Hashem run some of your life; are you succeeding in that direction ?
