The chronicles of inastruggle Posted by inastruggle - 07 Apr 2013 05:50

\_\_\_\_\_

I'm going to reintroduce myself for the record, and for those of you who haven't heard my story yet.lv'e been m\*\*\*\*\*\*\*\* for as long i can remember, my earliest memory of it was when i was in first grade i wasn't molested or anything b'h, i discovered it on my own.l obviously had no clue that it was assur (though i do remember thinking that something wasn't so kosher about it), and i didn't connect it to s\*x until i was about 13, it just felt good so i did it.ln eighth grade i found out about s\*x and connected the two.lt was also around that time when i discovered p\*\*\*. Eventually i also found out it was assur (through an article on wikipedia, which leaves a bit to be desired in the chinuch area).

I did try stopping but i wasn't too committed since i didn't know if it was really assur or not, since i never heard any rebbe speak about it openly, if i remember correctly my eighth grade rebbe mumbled something about shmiras habris which i don't think anyone understood, and even i wasn't sure if he was talking about what i was doing. Anyway when i got to mesivta the rebbeim did mention it and i knew it was assur but by that time it was already naaseh lo k'heter for long time already.

i knew that i should speak to a rebbe about it but i was too embarrassed. I did speak to one rebbe without telling him what the problem was (i think he guessed it) and he told me to try just to stop it for a short amount of time and then i could try for longer (a.k.a. baby steps) but that didn't really either help too much. Somewhere around twelfth grade i stopped m\*\*\*\*\*\*\*\* without p\*\*\* because it wasn't too hard to do and to be completely honest it was also getting a little boring.

I'm not sure how long ago i heard about gye but i think i read about it in the mishpacha and that motzei shabbos i checked it out, all i saw were some articles i read some and it didn't help at all.

i should add that like most unmarried people (i think) i thought that once i get married it would just go away so i was rationalizing that anyway it isn't a permanent problem and i'm koruv l'oness because i started so young etc. which i think was the reason i wasn't taking it too seriously.

So i continued to watch p\*\*\* and m\*\*\*\*\*\* pretty much whenever i was home until about three months ago when i was walking to yeshiva and i was listening to a shiur about the dangers of the internet and to do teshuva even if you fell, ( i put it up in the kosher isle if anyone is

interested) and something snapped and i realized that I HAVE TO STOP THIS NONSENSE, since the last time i was on gye i had read about it a few more times and saw some advertisements for it so i decided that i'm going to have to go on gye another time and become a member and (i don't remember this for sure but i think the second part was there) if it doesn't work then i'm going to talk to my rebbe about it.

When i went on gye it was completely different than before and i joined up and registered on the 90 day chart right away and did't fall for about two weeks then i did about a month and now i'm 33 days clean which is my longest since joining.

| in my next post iy'h i'm going to talk some more about what my situation is, and what i think my problem is, and how i'm dealing with it               |

| Sharks also don't have a swim bladder for buoyancy like other fish do. They need to keep moving, or they will fall to the bottom of the ocean. Vedoik. |
