I want to thank GYE (and everyone on it) And of course, the Ribbono Shel Olam for helping me get to, bli ayin hara, B"H, 65 clean days today. The 90 chart has been extremely helpful and inspiring for me. It gives me something to look forward to and be proud of every day when I check in (or if I forget for a couple of days, what a great surprise it is that I've made it a few days more without even realizing it.) I totally feel Hashem here helping me (us) do this. May Hashem
