

The Road to Lizhensk

Posted by Lizhensk - 18 Jun 2013 20:31

Hey guys, ive been on here a bit. i recently changed my name from pleasehelp9753, so if u dont

. But im not letting it get me down (even tho my wife is
) . i so far have a total of 49 days since coming

By the way, side note: ive been working on my Shmiras Einayim, but even if i look, i dont feel any lust towards those women at all. In fact, that doesnt even turn me on, its just a teivah to recognize me, thats why look. And when i act out, thats all it is: a teivah to act out, does that make sense at all? (what im saying is that i think shmiras einayim on the street isnt my problem...)

=====
Anyway, so i fell yesterday, at day 17
=====

trying to make it get me down-she means well

Re: The Road to Lizhensk
on GYE. This is gonna be the first count to 90 with all you crackheads helping me, so get at it!!!

YAYAYAYAYA! Lizzy you're back!!!!!!!!!!!!

So nu, how are you going to internalize what you said? How will you use it and stop hampering
)?

No idea what tshuva you're referring to, but if you look in the hakdama of the Sefer that was given out at my wedding you'll find that we're very machmir on the inyan of sakana.

And sfek sfeika doesn't work.

And sfek sfeika doesn't work.

Are you now allowed into the B"B, or do you need to wait till later in the zman?

If it's a question of lemaase, do I run to miklat or not, then maybe the gri"b is someone to be soimech on. If it's a question of leaving yerushalayim there are stuff to consider, yishuv eretz yisroel, leaving in middle of a zman, etc.

But to be "smart" and "brave" and say "it can happen anywhere", that's just stupid. It's happening, it's dangerous and we were saved by pure miracles, we shouldn't deny the very real threat Hamas poses to many Jews, right now.

That's partly my point: those 'pure miracles' you mentioned, are Hashem's way of telling us that if he wants it to happen it will happen, and if he doesn't, it WON'T, no matter what or where

.

look teiera chavarim,

this issue isn't simple, because Lo kol hazmanim v'hamekoimos v'ha'anoshim shovim.

what one sefer or posek wrote on one particular time, may not stand true always. i heard, for example, that until now the missiles haven't reached enough of a point, in order to be considered a sakana, whereas as of late, the places and the frequency have increased dramatically, still the p'sak may vary from rav to rav, and it isn't for every tom dick or harry, (tzvi, dov, and hershel) to voice his own opinion.
