

The Road to Lizhensk

Posted by Lizhensk - 18 Jun 2013 20:31

Hey guys, ive been on here a bit. i recently changed my name from pleasehelp9753, so if u dont

. But im not letting it get me down (even tho my wife is
) . i so far have a total of 49 days since coming

By the way, side note: ive been working on my Shmiras Einayim, but even if i look, i dont feel any lust towards those women at all. In fact, that doesnt even turn me on, its just a teivah to recognize me, thats why look. And when i act out, thats all it is: a teivah to act out, does that make sense at all? (what im saying is that i think shmiras einayim on the street isnt my problem...)

=====
Anyway, so i fell yesterday, at day 17
=====

trying to make it get me down-she means well

but you were too focused on Esti Friedstein to notice

First of all, i only recall that Esti's father was there.

second, YOU were too focused on your kallah (not saying it was a bad thing) to realize that my eyes were closed the entire time i was dancing out the shem havaya

The mechitzah was too da@# high for me and t'was too da#\$ thick for me.

I took my gartel and threw it under the mechitzah, so I'm not sure whose kallah I was dancin' with, and I sure as heck didn't have the "sheim Hava-y-ah" in mind.

Perhaps when TZ's zaide was givin' the brachah by the badeken, and even then, it was hard to see over all those spadiks and shtreimels. Who gave them permission to go on the other side

anyway?

That wasn't a gartel; that was his shvigger's sshirayim from her mink coat and matchin' scarf....and by the way, after five times around you, it looked like she was ready to pass out....you could've made it easier for you by joinin' OA a few weeks sooner than you did.....t'was one blimp walkin' around another.
