

The Road to Lizhensk

Posted by Lizhensk - 18 Jun 2013 20:31

Hey guys, ive been on here a bit. i recently changed my name from pleasehelp9753, so if u dont

. But im not letting it get me down (even tho my wife is
) . i so far have a total of 49 days since coming

By the way, side note: ive been working on my Shmiras Einayim, but even if i look, i dont feel any lust towards those women at all. In fact, that doesnt even turn me on, its just a teivah to recognize me, thats why look. And when i act out, thats all it is: a teivah to act out, does that make sense at all? (what im saying is that i think shmiras einayim on the street isnt my problem...)

=====
Anyway, so i fell yesterday, at day 17

gemara says a daughter in law hates her shvigger.

a son in law on the other hand...

gemara says, guard your wife from your son in law [because she's infatuated with him]

It's been a long time since I've tried the 90 day thing.

To be honest, through my time in SA, I've come to the conclusion that counting days is not really that good for me for various reasons. I have a counter on my phone that I look at every once in a while, but actively counting isn't good. At least for me. My sponsor agreed so I'm good. However, I think it might be good to post a bit about my struggles and a little background.

For those who know my saga, I'm BH doing much better in life. Concentrating on my reaction and not on the people around me's actions. It has helped me work on my codependency which in the past would lead me to act out.

Also, I recently got a new sponsor. This guy is tough. My first sponsor was like this, but I was a newcomer to SA then and was turned off by it. Now, I'm here long enough and realize the brains behind it.

Anyway, I'm starting to count now. I'm going to be 13 full days clean tonight at midnight. That is, unless God doesn't help me get there. He has helped me every second of the last 12.99 days so the last 26 minutes shouldn't be a big deal for him.

And a nice quote from Liz today:

My program starts with Honesty. My day starts with Honesty. My recovery

starts with Honesty. Honesty is freedom from self-deception. I am an

addict. I cannot manage my own life. I need help to get through the day. I

cannot enjoy the blessings of sobriety and sanity if I am not honest,

sincere, and trustworthy in my affairs. Today I will admit when I am wrong,

I will accept life on life's terms, and I will look at myself without

denial or self-deception. May G-d bless us and keep us today.
