

Nice to be home!!!

hello,

for those who dont know me.....you should get ready for the king of typeoes.....a lot of misspelled words in case i spelled typo wrong.....anyways

about a year ago i was on the old forum see there....i have a couple threads over there.

baruch hashem at the time i was doing quite well compared to where i was coming from but i still had and have a lot of work to continue doing.

some things that i for sure want to emphasise about coming back....the group support is amazing chizzuk!

i have another issue.....theres always those 2 or 3 things that bother you (really there are like hundreds of things that can bother a person at one time) but right now most of them in me boil down to 2 main klalim so these 2 or 3 things actually consist of many things....(this is actually the 4th and 5th step of the 12 steps) and that is for sure something

the key is simcha!

btw i use the yeshiva computer so im not sure about how consistant i can be it looks like fridays will be my longer days to look around at other people threads but other days i only have 5 or 10 min at a time...so i will try to check in as much as possible.....

Peas? Smoked tuna?

All I had in yeshivah was Rice Cripies (yes, 'Cripies' - we could not afford the real stuff so instead had the fake Lakewood brand, really from Mexico)...
