Hi,

I look forward to reading future posts. I tend to go for long periods without coming here, but I am sure to read everything that I missed on my favorite topics. Keep posting and I am sure that you will get better.

ddms you are a ??? keep up the great work, aggressive shmiras enayim and everything else.  
Unfortunately I read quiet's post. I should have quit.

To Quiet, yes been there done that kind of thing or similar, till I got K9 to filter google images. I  
now have K9 safe search which is better.
