Pidaini i dont understand the questions you are asking me. Do you mean that u should pray and surrender? I am really working on that. I have been doing it lately a lot

and i also feel that you have to protect yourself so that eve if you feel triggered you dont have an option to fall. every Rabbi has a filter. every one needs some protection and so do i. i know it wont solve it for me but instead of falling when i have an urge i am unable to. MY therapist told me the test doesnt start when you have an unfiltered computer it starts whether or not you decide not to filter it.
