

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Imtrying imtrying imtrying but ive gotta succeed sometime, no kedusha???

Success is up to Hashem; we've just got to do our part. But doing our part does not mean fighting this monster head on, which is impossible.

i have something else to get your spirits up...

how bout the tryers get a thread together, and you get up rage-style.

this way, when one of you falls, the other goes down too...

and believe me, imtrying, you don't want to get on tryings bad side :D :D :D :D :D

so you'll stay clean...

(trying, i heard imtrying has a gun...don't fall or else he might come to america and use it...)

I feel like im fighting mike tyson and hes got my ear in his mouth! Ahhhhhhhhhhhhhhhhhhhhhhh!

1- You are.

2- He does.

3- Find *something* else to do than "fight" - oops, I meant "lose", sorry.....unless you really think you can win this time!

4- Find out what other folks are doing rather than fighting. I went to the sexaholics, who had

already gone to the alcoholics to find out.

5- It works if you work it.

6- Bye!

7- :-*

Tryer 2,

Yechida once posted this on my thread. Makes you think a bit;

Trying Too Hard by Janell Cressman

**Fight every day to keep everything inside,
can't win this war of my soul.**

Trying so hard not to give up control

but everyday it gets a little

harder to keep breathing,

to keep seeing, to keep believing.

Trying so hard not to give up but everything

in me says to let go.

How do you know when it's the right time

to just let go of everything

and just breath, just be, just sit here and see.

Trying so hard not to cry and then I wonder

why I was even crying,

you never were truly a friend

so why did I miss you so much.

Trying to hard but maybe I should

just take a step back, may be

I should take a deep breath, maybe

I should just wait and see

what happens when you let go.

ONE more thing, I once wrote a poem right after falling, its not so good but brings a point across . It's also about climbing/trying, so I thought you might like it. Here's the link:

I feel like i wanna get over this thing once and for all but dont have what it takes.

No addict has was it takes.

That's the definition of addiction.

Dov is right, you ARE fighting Mike Tyson.

And you are powerless.

So what to do?

Well, if you want what Dov **has**, do as Dov **does**...

Read his reply again on [this page](#) (reply #194)

Oy, how many guys come onto GYE saying, yay, I found what I'm looking for, I'm gonna be clean from now on! And they succeed for a few days and fall, and then again, and again, and again... There are certain secrets to LIVING that an addict needs to learn before he will see long term success. Those secrets can be found on DC's calls, SA groups, and perhaps also in therapy...

If we want freedom, we may have to pay for it in time and effort. Oh well, just like anything else important in life...

So, is it important to you? It sure seems it is...

Lots of Love,

GYE

Ive been crazy busy lately dealing with a sick kid that Ive posted very little.

I look through all the new posts and pick only a few to answer coz simply have no time.

And I keep looking for you - and you aint been around!

See, moms do notice!

Sorry to hear about your fall and subsequent downer.

Falls have to happen sometimes.

Downers dont.

The yh (or Mike T) got you cornered.

- 1) You can raise your hands in surrender,
- 2) jab him with your right and hope nothing breaks,
- 3) or shout "Hey, whats that?"

then point behind him, and when he turns to look,

run for your life.

Personally I suggest the third.

Only any idiot fights MT.

And you are no idiot! :D
