

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

You need to send him a kvittel and he will reply if he deems it appropriate.

ahhhh!

A BREATH OF FRESH AIR ON THE FORUM!!!!

welcome aboard, Mr. I am Trying 25 (whats the 25 about?)!

Its clear that your going to fit in and be successful. (success doesn't mean not ever falling, so don't worry :D :D :D! all it means is REALLY trying, which you are, of course.)

Anyway, my name is kutan shel hachabura, and I'm pleased to meet you.

Posting anonymously will bring out stuff in you that you never knew you had. I for example NEVER introduce myself to people in the physical world, although my wife has been trying to teach me for ages.

Anything smart I'm going to post, in response to your posts, will only be things I've learnt on the forum. So my advise is to scour the forum. Read 7up's thread, and read Bardichev's battle, and read the posts from a fellow called Jack (amazing guy, he was my first inspiration on the forum, and went through alot of the stuff that you are describing). And then there are Dov's posts, whom you've already met, although Dov's posts are often like expensive wine... you need to already be an expert to understand them fully (not that I'm one... I email guard and he explains it to me)

another guy wrote how he promises himself that it will only be today that he will be good. And tomorrow he promises the YH he will give in. Sometimes he has to sweeten the deal for the YH, and promise that he will give in 3 times tomorrow! :D

Of course, tomorrow he tells the YH the exact same thing.

anyway, looking forward to reading your thread and being inspired!

kutan

Hey kutan i really appreciate the warm welcome! I would wish to say that 25 refers to the

But im not going to give up. **DID**

YOU HEAR THAT R GUARD, IM NOT GOING TO GIVE UP Anyways it refers to my age. To tell you the truth im not sure myself why i added it in but it sure was hashgacha, because now im getting it for almost having the same name as "trying", imagine if i wouldnt of added the 25?!? Wow that would of been bad ;D

About being succesful i appreciate the confidence you have in me and i sure hope to show you that its not unfounded.

Ive never really tried that tactic but i just dont get the feeling it would work. Now that souns silly how can i know it wont work if ive never tried ???
