

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Not bad. All I want is for them to say in shomayim when I get there, something like: Well, here comes that dov guy, and he wasn't an idiot.

...might not sound impressive, but it all depends on who's saying it...up there, they *really* know what "not being an idiot" means.

No youve got it wrong Dov. They will say "here comes the meshugena of the dor"!! When against everything the dor stood for. Fought (although you dont like that word im using it anyways) against the tide. Had the world thinking he was crazy. Crazy for giving up lust for all the other things life has to offer. And with that theyll walk you into Gan Eden. To be seated next to Yosef Hatzadik. And hell turn to R Dov and say " I was a meshugena of the dor once too".

Ashreicha R Dov. :(:(:(:(:(:(:(:(:(:(:(

As is well known, its easier to preach than practice. I do trust Him. But sometimes i feel things happen because of my decisions and thats my own fault.

It's about being ur fault/bechira vs bashert if I think but it's a bit long and talking about other things too. I guess read it when you have time. The brightest on the forum have answered some of the questions. Here's the link;
