

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Answer; no no no. No what am i supposed to say?? Ummmmmmmm. So ill say this. Ive noticed in the past then when i count it puts too much pressure on me. Personal thing, but fact. So i decided im going with a different approach. Im just gonna try and live my life to the fullest. Fill my day with all types of good things and whatever. keep my mind off all the "other stuff". So therefore, no, i have not reached 90 days. But i hope i will. But im not counting my way there, like i explained before. So thats why im not on the wall. I also dont keep much of a journey because i dont have much to say. Im just living life. Taking the bumps as they come. Gliding :D

Ha - IT, you're the kind of talmid any rebbe would be proud to have!

As far as the 90 days, I agree with you, IT - everyone needs to go with what works for them. Kinda like chulent, no? Everyone has their own idea of what the best way to make it is. And that's fine - everyone should make it the way that THEY love (just don't expect me to eat it if black pepper is an ingredient, not a spice)!

Let's get this straight. I'm an addict. Who in his right mind would want and addict for a Rebbi?

OK, I guess I'll count you in, chaver!!
