

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

I hope that there are very few of us here that are clinically depressed which means that we are all going out and functioning (hopefully real well) in society, but we have the "other, secret" side of us that creeps into our consciousness and mars it, and also takes up our time at night or other times. but I think that many of us are "Living" a lot on the outside. Ironically it is precisely for that reason that the pain of our secret life is so great, because you're like, I really don't need this, I could have a great life without it!

And we will!

This is pure gold!

KUTGW!!! Thanks for responding to my posts. I am grateful for the fact you thank your wife. It reminds me how powerful our wives can be.

Every day sober allows me to realize how truly blessed i am that Hashem has given me my wife.

Nothing makes me happier than reading posts like this.

Treat her like a queen and she will be your slave forever.

Hey 7up; that was deep!

Yes it was om.

Somehow, Habib, you don't seem like the fretting type. Unless you play guitar.

I think that for some of us, we do need to make changes in the way we live - some of us need major changes, others more minor, to make sure that we're really focusing on living life. And if we're involved in things that are *stopping* us from living, in some way, then I guess we'd need to address that, as well!

i think you two are right.

happens to be i used to be pretty depressed. and combined with the addiction, well, i *wasn't* functioning.

so for me, had to make a lot of major changes.

but people like IT, trying, you guys....

you're all already living. so it was just an issue of focusing on and enjoying all the things you were all already doing.

and since IT doesn't usually talk about his day to day life, i didn't see it, i guess.

Hey, the truth is that it was only me and silent talking... for all we know IT doesn't really live

thanks for clarifying

Just kidding of course... the way IT gives out so much chizzuk, he's clearly a giving person, and I'm sure he is very much "Living" on the outside, as I imagine you are Habib, more and more, one day at a time...

Eeech gishlept mein truk a sach, unn eich vill gishlept mein trukke nuch a sach!!!

I don't do the yiddish too well, but I think this means

I've shlepped my truck a whole lot, and I'm gonna shlepp my truck a whole lot more

much, which is why he's quiet about his day to day life
That is Yiddish for KOT!!

Ha - you just reminded me of a girl I dated...she kept saying things like, "y'know, I really want to mention something that you've...never mind, I can't say that."
