

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Precious story!!! I'm struggling with the same question myself, the do I or do I not tell my wife...
Classic 12 step rules say you do... But I don't know if I run the classic party line....

Good luck IM either way, and make sure if you have a kumzits again to do a clean sweep of the
room before your wife finds the

"Serial M****ba**r = Chaim" sticker...

I would pay to see her reaction to that one!

Ok so lets set the record straight. The story **IS** true. Although some facts were changed to

Yes my wife know about gye or gue , or whatever rocks your boat. But she doesnt really know about my addiction. Although i REALLY REALLY want to tell her, im just so nervous about her reaction. BH my wife is very understanding and loving, but im afriad it would be too much info for her to digest at one time. Im still trying to think of a way to break it to her. As i see on the forum, all those that do have their wives know about it seem to be really gaining from it.

:

And yes it was not easy calming my wife down. She really wasnt happy. But we got her to chill. Basically by the time she found the second sticker she was making a joke about it. But at first she was alot more than suprising.

And why do you keep buying 7up all the time! You never used to buy 7up!

IT, your wife has discovered you?

Wow...I was simultaneously horrified, yet I couldn't stop myself from laughing...

Wow...

So what does she think your involvement with GYE is?
