

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

That's a day when hashem steps in and tells us - "you've gone as far as you need to, now let me take over for a few minutes."

Maybe we should have a different name for it - like "yad hashem" days? or soemthing better than that, that's just an example...

Glad to hear your day worked out IT. No matter how. Personally, hashem takes me through all the days..I'm not strong enough to do stuff on my own. All I'm responsible for is the 'pishchi li pesach' , the tiny amount of willpower and he takes care of the rest. Good deal, huh?

I guess then SB, a 'yad hashem' day is when we don't even put in that tiny effort either. Those

kinda like when you buy bagels (at least here in america) - you buy 12, and they say, since you're buying so many, you're a good customer, we'll throw in a 13th one for free...
