Anyone want to keep in touch through these 90 days Posted by Joenoahi - 08 Jul 2014 08:22

I am able to text either through gmail or through my phone number. If anyone wants to keep in touch on a more regular basis just let me know. Here is my Gmail.(joemilller321@gmail.com) And I can give you my phone number to anyone else that wants to chat after I get to know you.
