

enough is enough!

Posted by i-man - 04 Jul 2015 21:54

I am a new member of the gye family and i feel that with chizuk from my brothers in arms will give me additional ammo in this battle of good vs evil

The fire in my heart was contained 95 percent for quite some time , but unfortunately its raging out of control - unbelievable ...

hey markz do you do firetrucks too ?

Mine is on fire too

Trouble's PM is outa control

This week California wildfires are raging on gye

How about we strike a match?

Figuratively.

I mean let's talk - fire your email to markzgye@gmail.com

I can't promise long convo, but we can start

It's that time of year again....B'H in my neck of the woods the fires are contained for the most part , I Gotta keep in mind the best tool in battling blazes is ...Prevention

Woke up in the middle of the night half sleeping and masturbated(I think I wasnt really cognizant) it makes sense as I was engaged in lusting the prior 36 hours.

I gotta be more careful...

study says: counting with other people your hard days is like counting for a specific happy day privately

it gives you the energy to count easy

keep it up!!!

Yes, the planets are indeed aligning right now, something is stirring in the air, it's all pointing to an event of dynamic proportions

I am immortalizing this so all will know.
