

shua73 gets to 90 and beyond

Hi all,

I have been having tons of ups and downs lately. However, I am committed now to get to 90 days without slips. My most recent addiction was to slipping. I would look at things that would possibly lead me to see inappropriate pictures. I am a curiosity addict. Good luck to me. I know I can do it.

Can any fellow strugglers send me their phone numbers so that I can call them if I feel like acting out.

Thanks

How about calling them so that you don't feel like acting out?  
Why don't you start a relationship or send thru email or chattin'?

Just sent a whole bunch of partner requests. I'm not sure, is that the way to do it? or are you supposed to have only 1 partner?

Welcome back! Did you come here to connect, or just share your "personal" diary?

Just to keep in touch. My diary is personal. I just write my thoughts out in a doc.

If your ability not to act out is contingent on your wife's interest, that may cause some issues.
