

shua73 gets to 90 and beyond

Posted by shua73 - 14 Jul 2015 02:09

Hi all,

I have been having tons of ups and downs lately. However, I am committed now to get to 90 days without slips. My most recent addiction was to slipping. I would look at things that would possibly lead me to see inappropriate pictures. I am a curiosity addict. Good luck to me. I know I can do it.

I think there's a element of truth in the words of that guy that's sleeping under the tree

I was just pointing out that ultimately, we are striving for a state where our wife's interest or lack thereof has no bearing on our sobriety. If I am content in the mindset that as long as my wife is interested, I'm okay, I am almost guaranteed to fall as soon as she's either forbidden to me or not on the mood.

Hope that was clear.

Hey everybody out there. I keep on falling and getting up ... so I'm offering 50\$ each to the first 2 people that respond and beat me to 90 days. Must be starting now like me and not mind keeping in touch/posting every couple days about your progress on the forum and exchanging insights. Thanks in advance (ps. I'm a student and don't have a lot of money. This is one of my incentives.)

I will take you up on that offer. I fell last night, so I qualify as starting fresh I'mehadrin. If you

How about you give it to gye instead? They need it more than me (they deal with me, I only want I'll fall again now in order to make a chalois fall.
have to deal with them).

I sent you a pm with my email

If it's a contest then I have to give you \$50 if I lose (not including your headstart).

What happens when we both win and don't fall for the next 90 days?

I propose we each have to buy ourselves an ice cream (or each other but that's kind of the same thing)

So??? Do we have a deal?
