Welcome, my Torah brother Joseph, knew how to resist, and it time we follow him, for we would not want to sin against Elohim, blessed be our One. Even the leaders of Egypt can trust us to Joseph position if we can be faithful to their family and wives, it time in Abba for us to prove we have sublime human fortitude, for the light of Siani of looking on the back of Abba, shall blind our eyes to the nakedness of even our enemies women. Let us take on today.
