Day 60. I went to my first sa meeting today it went gr8 bh . I feel as if I got of a huge burden of my shoulders. I'm no longer alone in this horrible struggle. I met a lot of people who I would never imagine would be struggling with lust (chasidish, litvish. Yeshiva bochurim....) I'm thankful or a few months - or a year and a half - hope you're doing well to Hashem for directing me to such a wonderful group and giving me such an awesome family like gye!!!!

Interestin' thread from some years a yonder

raises several good points that we can all ponder

A fellow persevered - and undid the Levicorpus

cast upon him, from a dungeon so enormous

I once knew a fellow - obese and insolent - such as Dudley Durseley

infatuated with girls, yet his weight affected him adversely

On his own attended meetin's, and (to make a long story short after a year) he was compared to a Gazella euchore

eventually had hotties draped over him, like Fleur Delacour

Forgive me this rant, but this guy emerged outta hidin'

and didn't let Joseph's brother continue his backslidin'

Ring him up to tell his story - this won't be hot gossip

T'will be well worth it - this ain't no Codswallop

Ok, I'm out - think I did enough GYAT

Trust me, my hunch is that this guy's a true Wyatt

I've gotta catch me some smash, so y'all follow the straight and arrow

Meetin' with Hatshepsut in the palace of Pharaoh

You win the poetry contest!

Rhyming "adversely" and "Durseley" gets 8- 10 points, but the Hatshepsut reference is worth at least 14 points.

And also, the post you bumped is great food for thought.

I'll be Fedexing you a bag of never-used lingerie as your prize. It will come in a plain brown
