Day 47. Bh I had an awesome day today learnt shtark, davened well, and socialized. I hope this continues. My biggest fear is what If I c"v have a fall again?? Am I gonna have to go through all that hell again??! But I'm not worrying because I'm letting hashem control my life and when I give over control to him he gives me the power to be sober just for today!. Keep on trucking!!

I'm curious if you can elaborate please: you give control to Him, and He gives you the power. How does that work please? I am not questionin'.....I am merely askin'. Thank you.

Day 52. Gut Voch! Shabbos was quite of a challenge since I ate in a hotel . There were a lot of attractive women there but I'm proud of my self that even if I by mistake looked I tried not to take a 2nd look (or a third!) I think the tool that works for me is that I try not to be curios . Even if I think I saw something i dont double check and I try to take 1 day at a time
