gettingbackupnow!! Posted by gettinghelp - 04 Feb 2009 22:39 Finished DAY 1. This with Hashem's kindness and help with be my new 90 journal. Despite the fact that I fell after 4 wks, I feel stronger and more at ease with what it takes to have a proper and real recovery. I will have a more detailed post soon Re: gettingbackupnow!! Posted by bardichev - 27 May 2009 21:07 mazel tov what awai to finish off sefira. The Heilige Bardichever (REb Levi Yizcchak ben Sara Sasha) would have been weeping from joy and pleading with Hashem to see how wonderful his childeren are. h&h bardichev ==== Re: gettingbackupnow!! Posted by gettinghelp - 28 May 2009 14:19 From the bottom of my heart t thank you to all for the support. I am now starting anew 90 days. This will be a bit more serious and strict. I will try to strip away even more of the barriers and eliminate some of the allowances(T.V.,not being careful with my eyes,only wearing a kippa

no baseball hats,).I am now a stronger person and a lot more aware of my koach and how much Hashem sends help to me. The hardest thing is to still let go and let G-D take over in all areas. With help from Hashem these next 90 days will be a deeper and more meaningful process..... another tikkun brining me closer to Hashem, my wife and family, and especially myself.So GUE I would like to start a second 90 days on the chart.

A very interesting day,B"H.I avoided a major fall by occupying myself.Howver my time could have been spent in a much more productive way.I need to really dig deep down,roll up my sleeves and push on.This requires hard work,not difficult or complicated work,just plin old hard work.Hashem needs to see put my sincere and honest work into myself,to really give me the help I need.Hashem call sout to all of those who call out to him HONESTLY.One of my character flaws is being egocntric and caught up in the prestige of life.I must must strip away all

when I approach life from a point of view of simcha, things that put me in a simcha mood actually happen. I just or rather must view every single thing in my life as a great gift from Hashem.

As the Chabad Rebbe always said: "Think good and it will BE good".
Did you ever see the documentary called "The Secret"?
