You're doing great, I updated your chart to 22 days...

But dear GettingHelp, if you're feeling shaky and REALLY want to "get help" - why don't you do the one thing that everyone knows can REALLY make a difference, and join a strong SA group in your area?!

Please read what I wrote to Ben today, to congratulate him on reaching 90 days. You can see it [here](#). Read the excerpt from the article I posted there. It is very important for all of us to understand.

We love you gettingHelp. Your honesty in facing this monster within is refreshing! Stick with us and we'll do all we can to help you!

I want you to know that I restricted your account only for your soul. Your soul can continue posting here, and read the other men's posts, and continue to get and give Chizuk. However, I did limit the account to your Yetzer hara, **who you anyway don't want**. As you know, with an addiction, the yetzer hara is so sly, so sneaky, so insidious and plays so dirty, that I wanted to limit his ability to bother you and give you crazy ideas. I wanted your soul to feel safe on this forum - and be able to use it only for Teshuvah and Chizuk, without being afraid from yourself.

I would usually block such a strong yetzer Hara from our forum altogether, but I hear your Yetzer Tov calling out for help with true sincerity and I want to give him a chance.

Please continue with therapy and please **STRONGLY** consider joining an all-men 12-Step SA group in your area. You need still to **get** more **help** than just therapy and posting on our forum.

We want to help you, we are here for you.

Yes, gettinghelp, we are all here for you.

Please consider what GUARD did to your account as a huge gift! In fact, send him a thank you card!

You can win this battle! Stay strong and stay away from the enemy's territory (u know exactly what I mean!)

Chazak V'Ematz!

A father only punishes a son because he loves him and wants him to be better. A father can see just how much potential a son has to offer and by punishing he is in fact making him a better son. SO A BIG THANK YOU TO GUE for all the help and chizuk.

You're welcome. Stick with us, keep up the fight, keep davening. You'll get there. You'll even be able to help others one day.

What do you say to the Chizuk e-mails the past few days? Are you looking into 12-Step SA groups?

We're here for you.

We all on GUE have come along way, each in our own special way. B'H there is a place like this the Hashem has created in his loving kindness see that there is so much in the way of help for our addiction, it humbles me. We (I) need to reach out more and take it all in. I look at and read the different ways people, holy people on GUE have been giving and getting help and it makes me smile. I have been so lucky and blessed to be on this site and receive so much help, thank GUE!!!! We must never ever let the y'h get us down, depressed or to give up. May we all be blessed to take the holy sparks of kiddushah from this Shabbos and use them to grow.
