B"h its my 14 clean day.

I thank you Hashem for every clean minute of the last 2 weeks!

I think this is prob going to be my first clean pesach.

I just daven that we should be able to do a proper biur of our internal chometz and have not only a chometz free pesach, but a chometz free future! (one day at a time of course!)

Today is my day 5- if i stay clean!

B"h i've been busy over the part few weeks so i haven't had time to post- or to fall that much.

I had a little slip last nite but b"h i had guard in place- i would have broken a vow he i would have fallen in that way and b"h i kept my vow and didn't fall! That goes to show u the power of nedarim!

Keep davening for help from Hashem for this battle- its the only way!

This is my new day 1- if i manage for the rest me the day!

I'm feeling guilty- i feel i've let myself and others down for falling. I know this is just the y"h but the feelings are still there!

I think i'll do something extra today to counter those feelings like learn extra etc. and i'm gonna read thru the handbooks again- haven't done that for a long time!

ly"h i'll let u know how it goes!

hey BSD,

i hope everything has gone well today for you. it looks like you realize that this negativity and sadness post-fall originate from your y"h, so anything i say now will just be an echo. just think about this, even though you may feel you've let people down for falling, just think about how proud you, everyone and Hashem will be when you pick yourself back up and undertake this challenge again!!!!

keep at it and you'll succeed!
