AMAZING

but you gotta tell us how you do it

were you white knuckling?

were you at 12 step meetings?

were you hanging

Warning: Spoiler!

Brother can I ask you a little favor

try to keep to 1 thread and reply posts there rather than create new threads, like I have 1 for my story

go back to your recent threads and choose which one it will be. I prefer your first one [HERE](#) !

KEEP ON TRUCKING
