Welcome,

The only thing right now that is not so real is yourself

Anonymous name with high powered anonymous rhetoric is not real, sorry

Are you truly ready to be a real Trucker?

I did not appreciate your comment. I don't feel you understand me.

I am real and I am changing my world, life, and behavior.

I am continuously getting to the "realer" me.

This is real, right here, right now!

And, this is sufficient. This is enough. What I am doing right now will suffice.

I am done. Good luck to you!

I am all in!

I do not mean to be offensive

I apologize

Recently there have been such anonymous rhetoric, and I assumed this was a repeat

If you are really real I'm happy to hear...

I also disagree with the rhetoric that using an anonymous username is not being real.

Skep I don't know if you noticed, but we often disagree (too much - I feel)

GYE would be boring without you and I

I assume you are replying to what I wrote

Could you please re- read what I wrote

Anonymous Rhetoric - I meant as comments that mean absolutely nothing to me
