

why?

Posted by YDB613 - 13 Oct 2016 11:39

---

It is motze yom kippur and I am already feeling the pull of the yetzer horah. It is crazy that he attacks so quickly. this is not to look at porn but to go and visit massage parlour for a massage ... any advice

=====

Yeah my advice is to stay on your original nice introduction thread and post there. My initial reaction when reading this post was that this was your first post on gye. theres some good stuff on your original thread.

please revisit it and reply there telling us (your brothers) what you tried and if you called dov yet

All the best!!
