

Ano Nymous Part 2 - A new year and a new 90 day journey!

Hi Guys,

I have (stupidly) neglected this forum because I was simply overwhelmed by the amount of new material on here on a consistent basis. I started my 90 day trip last year on November 20th, and I'm doing the same this year. I've set up my cell phone in such a way that I will be able to send and receive calls for free so I can call my partner and call the phone conferences for free.

Today, Shabbos, was day 2. Let the chizuk flow, because this will NOT be easy. I'm reaching for a new plateau compared to last year. I fully believe that when faced head on with temptation, I am completely powerless. I become a shell of myself, completely out of control. I know though, that if I never give up and I take the right steps, I will win the war despite the lost battles. Signing off,

Ano

Today is day 35. I'm feeling pretty down, because I haven't gotten up the past couple days. No shachris, no learning, no Duvid Chaim call, and no chance to make up for a horrible semester and do well on the gemarah final, because I'm missing all the chazarah of the stuff I never

If the only thing you have left in life is your sobriety, that's still enough to do a DANCE of joy!!

You are from Hashem's elite soldiers. ***Especially*** when you stand strong in spite of it all...

I wish I could honestly say I'm from the elite. I know He's given me the potential, and I hope one day to be able to reach that level. Until then, I'm just going to sit back and try to enjoy the ride.

Habib, I'm assumign you're joking on the TFTE acronym?!

And Ano - please remember that you're not just part of the elite - you're one of the most successful soldiers! Other people's battle are not yours, and i think we all need to remember that. So, we look at other people in the street, and we see THEM going to shacharais, etc, and we think, "well, I'm not doing any of that, so how can I be good?"

But we all need to remember that our job is to pass OUR nisyonos. And you're doing that with flying colors, by staying clean one day at a time (every day being a HUGE victory), encouraging the rest of us here, *inspiring* us...

Don't let your yetzer hora tell you otherwise!
