

Ano Nymous Part 2 - A new year and a new 90 day journey!

Posted by Ano Nymous - 21 Nov 2009 23:43

Hi Guys,

I have (stupidly) neglected this forum because I was simply overwhelmed by the amount of new material on here on a consistent basis. I started my 90 day trip last year on November 20th, and I'm doing the same this year. I've set up my cell phone in such a way that I will be able to send and receive calls for free so I can call my partner and call the phone conferences for free.

Today, Shabbos, was day 2. Let the chizuk flow, because this will NOT be easy. I'm reaching for a new plateau compared to last year. I fully believe that when faced head on with temptation, I am completely powerless. I become a shell of myself, completely out of control. I know though, that if I never give up and I take the right steps, I will win the war despite the lost battles. Signing off,

Ano

It's a machlokes rishonim. And some say it will only be resolved when Eliyahu Hanavi comes. But wait, how do you pronounce that? Is it eh-lee-ah-hoo or is it ay-lee-yu-hoo or is it aaaack forrget it!

I dont know what all this fish talks about. Can we get some ice cream please??

And it was great talking to ano. Although i did lose my free time because of it. But it was worth it. Keep it up Ano. And you can pronounce that any way you want!
