

Ano Nymous Part 2 - A new year and a new 90 day journey!

Posted by Ano Nymous - 21 Nov 2009 23:43

Hi Guys,

I have (stupidly) neglected this forum because I was simply overwhelmed by the amount of new material on here on a consistent basis. I started my 90 day trip last year on November 20th, and I'm doing the same this year. I've set up my cell phone in such a way that I will be able to send and receive calls for free so I can call my partner and call the phone conferences for free.

Today, Shabbos, was day 2. Let the chizuk flow, because this will NOT be easy. I'm reaching for a new plateau compared to last year. I fully believe that when faced head on with temptation, I am completely powerless. I become a shell of myself, completely out of control. I know though, that if I never give up and I take the right steps, I will win the war despite the lost battles. Signing off,

Ano

Welcome back Ano!

I 'spontaneously' had this wacky thought that maybe I really want to post on Ano's thread.

I also read your original thread way back when and found it inspiring and filled with wisdom. I really didnt realize you are only 20.

I sure hope so! Nothing is more depressing to me than a thread filled with chizuk to myself. When I first joined here, Guard was on a cruise liner in the Bahamas, and was therefore able to respond to just about every post I made within minutes. Now he is said to be mining coal somewhere in Virginia, and therefore does not have much time to respond to all the threads

here, what with the actual coal mining to do, as well as trying to get the soot off of his face when he gets home at night. I have a lot of catching up to do on these forums, but basically the general rule I have seen around here is "give and ye shall receive," i.e. give chizuk and you will get it. When that fails, or you are too lazy to try it, "DEMAND and ye shall receive" (this is well

demonstrated by your case, 7Up).

Hate to admit it, but youre 100% on the ball.

bH this place has grown and poor Guard is really covered in soot 24/7.

Today is day 10. I'll skip the pink letters and all that :D

Today is the kind of day I'd normally act out. I'm not feeling great, tired, and have more work to do than I want to think about. Since I'm tired, I think I'll just go to sleep. It's way too early to be acting out. I have to at least hit 90 again first!

Today is day 11. I got to join the conference call (Duvid Chaim's) and then I talked to Tomim on the phone for over an hour. Overall, it was a very inspiring day, and it was the kind of day I wish every day could be. But alas, it's not that way!
