

Ano Nymous Part 2 - A new year and a new 90 day journey!

Posted by Ano Nymous - 21 Nov 2009 23:43

Hi Guys,

I have (stupidly) neglected this forum because I was simply overwhelmed by the amount of new material on here on a consistent basis. I started my 90 day trip last year on November 20th, and I'm doing the same this year. I've set up my cell phone in such a way that I will be able to send and receive calls for free so I can call my partner and call the phone conferences for free.

Today, Shabbos, was day 2. Let the chizuk flow, because this will NOT be easy. I'm reaching for a new plateau compared to last year. I fully believe that when faced head on with temptation, I am completely powerless. I become a shell of myself, completely out of control. I know though, that if I never give up and I take the right steps, I will win the war despite the lost battles. Signing off,

Ano

This week was very tough. But I've learned too much from all of you guys to go anywhere or to give up. I'm getting some structure back next week, which will make things about 150x easier. I'm going to have to put more of a conscious effort into recovery if I want to reach my goals. It's nice to see that you guys care enough to drag my thread back up from the bottom of the river!! Everyone on this forum amazes me.

Halevi,

I really like that 10 keys book. In fact, I like it so much that I feel a little guilty for not having paid for it...

Ano whats going on?? Sorry your having a hard time. But its the tough water that gets us places. Keep swimmin!!
