I don't even know if that's a good thing or bad thing.

I am kinda happy that my mil is not "epic" otherwise I would be in trouble...

My learning aint going so well....

are you stressed because of your learnin' or somethin' else?

We all have stress.

Shteeble is on top of the tallest buildin' in Tennessee right now screamin' his head off sayin':
Stressin' and lustin' do not need to be related! And nobody is arguin' with him.....for good
reason; he is right!

I was taught to look inward as well: What can I do about the situation? How was/is it my fault?
What can I do to rectify it? Do that! And whatever I cannot do (which is usually a lot), let's pray
that the One Above (continues to) take(s) care of it.

My pleasure.

If I would stalk anyone, it would be Nicole, not you, sorry.
Wow that was fast u stalking me

And regardin' your problem, there is a simple solution!: get the Hell off GYE (although there's lots of learnin' here lately) and get yourself to the Beis Medrash (unless you're there now).

The Rosh knows!? Which *siman*?? It's amazing how much foresight the *Rishonim* had!!!!

What do you want out of a *seder*?

I started learning b'chavrusa. Then after a while I could learn *Gemora* by myself. So I knocked down masechta after masechta with diligent study (*Eiruvim, Pesachim, Yoma, Rosh Hashona, Sukkah, Niddah, Megillah, Bava Kamma*). And I realised I was a social recluse and masturbating myself into my own little world with my gemoras. Now I'm learning b'chavrusa Niddah b'iyun, going at a snail's pace, hardly getting anything l'ma'aseh, but I love learning with the guy, we shmuze and have a good time going about it.

Not saying this is the ultimate Derech, but it's what works for me now. Connection. And this
