Need to vent a little....

Why the hell does he think that they do not need to listen to their own rules?

Why the hell does he think that he can treat married adults lake babies but not hand out

Depends?

Why is he such a control freak?

How the hell can he be such a hypocrite yet still so respected (even by me)?

What the hell is wrong with this world/system?

Why the hell does it seem like I am the only one who is bothered by this?????

Sorry for not giving specifics as that would be loshon hara on myself and the one I am alking about....

Like I said cannot go into details but lets just say that if a Rosh Yeshiva gives shmooze after shmooze about what he wants from his talmidim but everything he does is the polar opposite of those shmoozen it can be VERY annoying

It may very well be that this rosh Yeshiva character is schizo...

Yeah, that might make sense.

Well, I think that preposterous! What Rosh Yeshiva would be schizophrenic??

Um, dude? He just gave the Rosh Yeshiva character as an example.

Oooh, my bad.

I like line #4 the best,

My experience (for whatever it's worth) if you cut out 1,2,&3, you can get to 4 a whole lot faster.
