Day #2

B"H I passed my first day, from my new cycle, **today** is #2 and **today** only, I will be on top of my soul, I'm not interested what it will happen in tomorrow or in 2 weeks, or 2 months... and the **today** is not that long, just a few hours, and Hashem, please stay on my 2 sides, please don't let me down, I'm doing it **ONLY** for you.

My YH is trying to bring me down about my last fall, but I'm not going to let this happen...

I will stay strong with all the Chizuk and Support of our GYE members.

Thanks you all

Keep posting. IYH you will do well. Use the good feeling of your prior success to move forward. Realize that any upward climb will usually have pits and downhills along the way.

Day #5

B"H I passed day #4

wooww, what a fight, what a night, i had an extremely hard night last night, my wife was about to leave to Florida with her friends in the morning, and we had a very warm loving talk, how we will miss each other, (she is now in her Nidah days, so no hands on love) and my thoughts was starting wondering somewhere else, so when she fell asleep i started fighting with my self, should i pleasure myself or not, back and forth, for a second i started touching my self, but i stopped right away, what a ?????, then i tought to my self, you know what, let me finish the day clean, maybe tomorrow will do it, and i fell asleep.

???? ??' ?? ???

Today as my wife is not around, i will need extra help and support the night should pass sober.. i will read iy"h the GYE handbook, that might help plus older forum posts. will keep you posted if there is any problems.

today is #5 and **today** only, I will be on top of my soul, I'm not interested what it will happen in tomorrow or in 2 weeks, or 2 months... and the **today** is not that long, just a few hours, and Hashem, please stay on my 2 sides, please don't let me down.

My YH is trying to bring me down about my last fall, but I'm not going to let this happen...

so, here is my **TODAY** plan,until 6 pm, I'm at work, and since I'm a GYE member, I'm not involved any more in any wrong doing at work, I used to work around with our filter, but I don't do that any more, after 6 till the kids go to sleep, like 10 pm, I will be Busy with them, so my struggle begins about 10, I will stay strong, planning on going over the GYE handbook etc. and if ill have any urge, ill post right away here,

hope to be back tomorrow SOBER, CLEAN..

The Rebbe that wears a cord instead of a gartel asked something

I think he meant, and as acting Gabbai I'll say this

You mentioned "since I'm a GYE member..."

What does that mean?

When one registers he gets reborn?

Maybe I didn't register right???

since I joined this *Heilige GYE Chabureh*, I'm managing in job very well, I used to do nothing besides porn, for the last 3 weeks, B"H I'm clean in job, I'm strong, and when I get this little urge to search porn just for a minute, thinking nothing will happen, then I go straight to the GYE site, and that's what's saving me.

yes, and definitely yes, the Gemara says: ?? ??????? ?? ??????? ?????? and we in our addiction and struggles are like ????, we have the same struggles they have, and that's how I feel about my self, like a new person, a new life, even I'm here only for 3 weeks, but my last 30 years, was full of garbage, full of regrets, riding on huge rollercoaster, ups and downs, unhappy person, now I'm sober, I feel so much better.

you did register right, and you were reborn too, but you are much much longer on this great program, so maybe you don't feel it that much any more like me, its like when you get to a new yeshivah, the first 3 weeks, is with much a bigger excitement then after 3 zmanim in the same yeshivah....

Makes sense????

shivisi, you should be very proud of yourself. Your honesty and humility are great. Using the site is very helpful. There is so much advice, chizuk, and hashkofa. It becomes a way of life. I would suggest also speaking with someone. you can do that anonymously
