?in a different note, i had a huge fall today, in terms of my diet..... i cheated today the first time since last year February, and im sad, and guess what, i cheated on a stupid Tuna Sandwich..... am i crazy or what? so! ill handle it as if i had a fall in our area..... and should that be the fall if i needed to fall

you didn't cheat,

you ate a tuna sandwich (and i assume with a brocha and birchas hamozon)

I actually think it's called "action," not "ratzon."

In order to get to action, you must have first a ratzon to do that action, so ratzon is first

No, as a matter of fact, those, sometimes, that spend a lot of time on ratzon and thinkin', never get to action.

4 posts doesn't take up the whole day, and as I said it only works for some. There are many old timers with hundreds of posts and no relief from their porn / mast customs...

If a tool works for you, great

If not, Keep On Tooling

yes, for me works posting, many times at high peaks, i started thinking, so now ill act out, and then ill have to admit it on a public forum? no i cant, and that actually stopped me,

also, posting helps, in case i have an urge, and im posting just for the purpose to fade out the lust....

so, yes, posting helps big time, but its a tool, what works for me, wont work for you..

Day #79

Today is Day #79, the feeling of being clean so long is amazing, and when ever i get some stupid thoughts im getting very upset, why in the world are they still coming to me? why? but i treat them as a great reminder, i shouldn't get comfortable, i still can fall, i have to know it very clear, and live with that, that the YH is a smart cookie, he has his way to get me back on his side, so basically, this small reminders are just to give me the tickle, yes, you are not over yet.... just watch out, and ill try to get around him, and of course it will work, but only with tefila and with the great support at GYE.... Thank You All !!!!!

i started a new Kabalah, everyday before entering to shil, im Mekabel on myself not to talk when the Tsibur are davening, even if im not davening at that minyan, i cant talk when people are davening, i have to go outside, and it should be Lezchus i shouldn't fall from this tefila till the end of the next tefilah... just mentioning here, so you can do it too, and ill have some share in that zchus...

Hay Brother!!!! Remember: **One day at a time**, why mess up the day when most of the day is almost over, **stay positive**, think and talk positive then everything will go your way, only with Simcha.

Thank you all!!! Im still clean all because of you, your support, your posts, your messages and what not.. keep it up.

Let's Stay Strong! Let's Stay Clean! And let's be positive and happy, Yes! We can and we will do it! And Together
