### **Day #8 of 2nd round - Day #98**

Today is day #8 of 2nd round clean, and im happy the way im heading too, its the way to Hashem, he loves me, and i love him, its the best thing in the world, to be clean, its freedom, its life, i feel great about it, and i will continue this way the rest of my life, why go back to the old muddy stuff? dosent pay....

i sew today in the ?????? ?????? that the Torah says by Yakov: ?????? ?????? ?????? ?????? ????? that Yakov was waiting 7 years to get his Kallah, and he loved her, so how did he managed to not have a fall? he managed by doing it "**At One Day At A Time**" ?????? ?????? ?????? ?????? ?????, he says, that the Medrash says on the Passik ?????? ??? ?????? ?????? ??? ???, ?? ??? ?????? so he explains that in order to stay clean which thats the goal of every jew on yom kipur, to stay clean the entire day, is to deal with it as "**One Day At A Time**" ??? ??? **Gevaldig..... isnt it?**

Remember: **One day at a time**, why mess up the day when most of the day is almost over, **stay positive**, think and talk positive then everything will go your way, only with Simcha.

Thank you all!!!! Im still clean all because of you, your support, your posts, your messages and what not.. keep it up.

**Let's Stay Strong! Let's Stay Clean! And let's be positive and happy, Yes! We can and we will do it! And Together....**

### **Day #10 of 2nd round - Day #100**

**Mazel Tov, Mazel Tov, Mazel Tov!!!!!!**

**Its day #100!!!**

im Super excited today, 100 days, what a milestone.... even i have my tough moments here and there, but i show them my back right after approaching me, i dont have time for that, and i wont mess with success, and its usually takes just a few moments, and its much much easier it used to be..

Question is: am i an addict? no clue, was i? i dont care, but maybe i should care, so someone else can learn from me, that there is a way out even as an edict??? i don't know, will leave that to others to figure that out.

bottom line!!! im free from this monster/YH, im having a grand time with out being his partner, from time to time he comes to me, in a friendly manner, we should get back together, and playing together, and im just ignoring him, i know he is mad on me, i just dont care, i hate him, he should go to hell, and he should leave me alone, i dont want to know him, he ruined my first 30+ years, and im not interested of being friends again with him.... and i have a good advise for all of you, just get rid of him ASAP, he is not your friend, he is your enemy...

Remember: **One day at a time**, why mess up the day when most of the day is almost over, **stay positive**, think and talk positive then everything will go your way, only with Simcha.

Thank you all!!!! Im still clean all because of you, your support, your posts, your messages and what not.. keep it up.

**Let's Stay Strong! Let's Stay Clean! And let's be positive and happy, Yes! We can and we will do it! And Together....**

### **Day #11 of 2nd round - Day #101**

Today is Day #11, its Friday, and i hope and pray for an easy shabbes, for me and for all of you, BH its not that long afternoon, which its the toughest time of the week, so i hope not to have any struggles, there is no time to play with kids, acting out, and afternoon nap, so i think i will leave out the acting out... its much better without that, i wont give up playing and shmuzing with my kids and my nap, so i will leave out the acting out.....

may you all have a clean and joyful shabbes, best and toughest day of the week.

Remember: **One day at a time**, why mess up the day when most of the day is almost over, **stay positive**, think and talk positive then everything will go your way, only with Simcha.

Today is 2 weeks of my second round, will i make it again to 90 days? hope yes, im asking hashem that i should, and he will definitely help me getting there, he loves me, and i love him, he did in the past and keeps on doing for me so much good, which i dont deserve it, Thank you hashem, im really thankful to you, and please help me stay lean, i dont want to fall, i cant alone only with your help.

shabbes was super great, every Motze Shabbes, which passes clean im soo soo soo happy, im petrified about shabbes, used to be crazy, but now, its my best day, but i still have that Pachad about it, in the past, there were no shabbes without a fall, but now, its only with joy and family time, learning and shmusing... thank you all..... your credit....

**Day #17 of 2nd round - Day #107**

today is day #17, and its a great day, no lust so far, last few days was easy once, no struggles and its just getting easier by the day. i wouldn't dream that i will be at this point one day, im a man, i have my own life, and not hostage by lust, porn and ladys..... its the best feeling ever, and i hope to stay like that ever....

?i had an interesting story yesterday, i was in mid new jersey, middle of a small town, probably no Jews in that area, so i went to that gas station to full up my car, and that fellow was assisting me, after he was done i gave him a dollar for a tip, so he got that huge smile, he was thanking me, and he told me, **"you guys are the best, only you guys from your community are giving tips and doing all kind of favors, i had once a problem, and one of your guys helped me out for no charge, you guys are the best"** what a Kidush Hashem, i loved that, it gave me that good feeling...

**All the Best! and remember, One Day At A Time, thats the way, and yes, with a positive Smile.....**

**Let's Stay Strong! Let's Stay Clean! And let's be positive and happy, Yes! We can and we will do it! And Together....**

i sew this one today, and i must share it with you! its gevaldig...

**THERE IS NO SUBSTITUTE FOR PERSISTENCE!** it cannot be supplanted by any other quality! Remember this, and it will hearten you, in the beginning, when the going may seem difficult and slow, those who have cultivated the **HABIT** of persistence seem to enjoy insurance against failure, no matter how many times they are defeated, they finally arrive up toward the top of the ladder, sometimes it appears that there is a hidden guide whose duties is to test men through all sorts of discouraging experiences. Those who pick them self's up after defeat and keep on trying, arrive; and the world cries, "Bravo! I knew you can do it!" the hidden guide lets no one enjoy great achievement without passing the Persistence Test! Those who can't take it, simply do not make the grade, those who can "take it" are bountifully rewarded for their persistence. They receive something infinitely more important than material compensation, the knowledge that **"EVERY FAILURE BRINGS WITH IT THE SEED OF AN EQUIVALENT ADVANTAGE"** there are exceptions to this rule, a few people know from experience the soundness of persistence, they are the once whose desires are so persistently applied that defeat is finally changed into victory, we who stands on the sidelines of life see the few who take the punishment of defeat as an urge to greater effort, these fortunately, never learn to accept life's reverse gear, but what **WE DO NOT SEE**, what most of us never suspect of existing, is the silent but irresistible **POWER** which comes to rescue of those who fight on in the face of discouragement. If we speak of this power at all we call it persistence and let it go at that. One thing we all know, if one does not possess persistence, one does not achieve noteworthy success in any calling.

Enjoy!!!!
