Day #64 of 2nd round - Day #154.

Hi chevra, the best chavreh of the entire world, the world stands on people like us, who struggle

for ????? ??, without any ???? or ?????, hashem loves us, becuae we fight for him, we wouldnt stay clean for our self, we do it just becuae he want so, he loves us, and ??? ????? ???.

brothers and sisters dont let yourself down for a few minutes of joy, its just an illusion, but after that joyful minute we all know how we feel, so why give in for that few seconds? Isnt it a much better feeling knowing that you just wanted to fall and you saved yourself from it? It a much better feeling then falling, so please, stay strong, dont give in, and always remember, the YH is much smarter and stronger then you, and even after many clean days and months, he is out to get you, so just be ahead of the game and remember ????? ??? ????? ???..

may you all be clean for ever, and lets meet up in yeruselayim soon... with a smile

Thank You Hashem and GYE and Thank you all for getting me to this stage...

All the Best! and remember, One Day At A Time, thats the way, and yes, with a positive Smile.....

Let's Stay Strong! Let's Stay Clean! And let's be positive and happy, Yes! We can and we will do it! And Together....

Shivisi, you're a special guy. A holy Yid doing something that only you can do. The dedication you have to this (not only staying clean, but also all of these posts, for so long) nothing short of amazing.

Just wanted to thank you for the inspiration.

Thank you achi!

wow!! what a night, I wish it would be just a dream, but no, it was for real, I had last night a major fall, I acted out not once, and not twice, but three times, it was like taking revenge for the last 237 clean days, should I say that I'm back at stage 1? where I just didn't care about acting out? I loved it? I don't know, yes and no, but at the moment, I don't feel that I want to stay clean, and that's why I'm back here. I need the support..

all started last night, when I just couldn't fall asleep, so somehow my hands traveled down where it shouldn't, with no bad intention (mmmm can is say it for 100%? I don't know) I really didn't had in mind what ended up happening, and no, I didn't had access to porn the last year... I was in a good mood, so I don't know what was the trigger, probably loneliness, but I started playing with myself, and from there its history, I felt like taking revenge on all this clean days, no, don't get me wrong, I was very happy to stay clean, and I didn't even dream of ruining it, it was great days, every single one of them, and it wasn't that tough staying clean, but I guess that this is happening when you feel this wrong security on yourself, I was just giving out all my energy on acting out.

so now after this stormy night, I feel like, why going back to start this struggle? why starting again? and that's why I was hesitating this morning to write it out here on the forum, if I'm not really interested to continue why getting on the forum? but the truth is, at the end of the day, I, my real me, do really want to stay clean again, and that's why I'm here, I don't want to get back as a double person, but my real problem is, why do I currently feel that I'm fine with acting out, I have to admit, that I didn't feel bad at all in the morning by acting out, and I would do it again, I have no regret at all, isn't that strange? am I normal? Its battering me why im comfortable with that. I would continue doing it, but I know that its a terrible thing and that's why I'm here, against my will... I need the support, I will start again 90 days, and I will get myself a new partner, and I will start a TAPHSIC, but as of now, I don't have to KOACH to do it, I'm still easy going with it...

another problem, im extremely busy at work, i just dont have the time to post here, but ill force my self doing that every day, its a must for me in order to start again....

I need your support to get me going..... I feel like going on the street and scream
HHHEEEELLPPPP!!!!!!

Warning: Spoiler!
