Day #7

B"H I passed day #6

Here is my update, I had a great and clean night, I would like to thank you all for your support, especially Markz, with his great links at his signature, that saved me, not to mention my punishment, when my wife is away It used to be my **lowest** time, with no control at all, not thinking a bit what it will feel after the act, but now, as a GYE member, I had my **highest** time, I'm soooo happy for that, I feel so good.

Its day #7, a full week, its day #21, since I started 90 days, im 3 weeks old, ?????? ?????, sober, clean, im high, I feel as a new person, a new life, I got back my wife, my self. ????? ??' ??? ???.

let me finish with my biggest THANK YOU for all our great ?????? ?????? you were my support, without you, i would never be what I'm today, you will definitely share the ??? ??????".

im so excited, i feel like a million dollars.

today is #7 and **today** only, I will be on top of my soul, I'm not interested what it will happen in tomorrow or in 2 weeks, or 2 months... and the **today** is not that long, just a few hours, and Hashem, please stay on my 2 sides, please don't let me down.

My YH is trying to bring me down about my last fall, but I'm not going to let this happen...

Shivisi you are BH doing super. You have trained yourself to think when the urge comes. Most of us just went without thinking into the ritual mode of acting out. Learning to stop and think is areal game changer. You were fortunate someone (in the case R' Markz) was online when you posted. It would be a good idea to have some phone numbers to call when the going gets rough. Continued hatzlocha.
